

## Invitation to Camp Copenhagen 2018 "The Scandinavian way – Environment and Democracy"

### Camp Copenhagen 2018 - General information

**When?** The camp will take place from Saturday, August 11<sup>th</sup> to Saturday, August 25<sup>th</sup> with arrivals and departures on the 11<sup>th</sup> and 25<sup>th</sup> respectively.

**Where?** Participants will stay at a scout's cottage 20 kilometers North of Copenhagen, in an area called Naerum (pronounced Naerum). This means that shopping, cooking, dishwashing and taking care of the place will be part of the program (joint efforts) in addition to the activities listed under "What?" It also means that boys and girls will all sleep in the same dormitory, and the accommodation will be simple cottage style, however all appliances are available.

**Who?** The camp accepts 20 foreign participants aged 21-25 on their arrival at the camp. We take a maximum of two - preferably one from each gender, from each country. Verbal and written communication in English (mandatory), which is the language of the camp. Further participants must **not** have taken part in more than one Rotary camp prior, and **must** be sponsored by a Rotary club in their own country. Health insurance, visa etc. are all the participants' own responsibility.

**How?** You organize and pay for your own journey to and from Copenhagen. While you are here, following will be provided: Accommodation, necessary food, transport, and entrance fees. You have to bring your own sleeping bag

More information on facebook Camp Copenhagen 2018 – Ask earlier participants for info etc -> <https://www.facebook.com/groups/833220443410758/>

Only, you must pay a participation fee of 1000 Danish Crowns (or 140 Euro) on your arrival. We recommended bringing about DKK 1000-1500 as allowance. Remember that Denmark still use Danish Kroner as currency

**What?** The program of the camp focuses on two important features of Scandinavian society and tradition: Environment and Democracy. As for environment, you will experience the Danish nature, and we will show you how we try to protect our environment. Our democracy part will, further to political democracy, focus on democracy at work, and in education and on taking care of those in need. We will arrange guided tours around Copenhagen with a "time travel" from the buildings raised in the 16th century and to now, with the Danish designed and sustainable low energy buildings focusing building requirements.

**\*\*This is a provisional program and subject to change \*\*\***

As you can see, we have planned a tight program with lots of input.

The life of a Rotarian is all about putting in the effort, the rewards we get back through our sincerity and commitments, is gratitude and widening of our horizons to meet the new challenges

We admit that many of the issues can be a bit "academic", and that is why good English skills are important.
