International Youth Camp  
Sioux Lookout ON Canada

Rotary District 5550 and the Sioux Lookout Rotary Club offer an amazing, wilderness, canoeing experience to youth from all over the world. Each July for the last 26 years 12 – 16 youth have gathered in Sioux Lookout for 14 fun filled days of adventure.

Young people apply through their local Rotary Club/District. Each country is invited to send one participant. Overcoming the challenges of multiple languages and experience levels is guaranteed as the group becomes a team through their days of initial training and on the trip itself.

The participants arrive on Wednesday. They are billeted with Rotary families. Thursday, Friday and Saturday and spend training, learning about canoe techniques and wilderness camping and getting to know each other. Sunday through Sunday the young people and leaders paddle 200-kilometre through north-western Ontario, boreal forest in two-person, aluminum canoes. Everyone participates in all aspects of the camping/canoeing trip including cooking, setting up tents, paddling, and of course, carrying equipment and canoes over the seven portages (the longest being 2.0 km). The scenery is spectacular; the group will travel through kilometre after kilometre of uninhabited (apart from moose, beavers, and eagles) lakes and forest. Evenings around the campfire are memorable as stories are shared.

Monday and Tuesday are spent cleaning and repacking equipment and visiting some local sites of interest. Tuesday evening is an International Pot Luck dinner shared with camp participants, Rotarians and local leaders.

### **CAMP RULES**

**These rules are in effect from your arrival in Sioux Lookout until your departure.**

The International Youth Camp is governed by Rotary International rules for Exchange Students. As such, the following rules will be enforced:

1. Participants are not allowed to operate motorized vehicles of any kind
2. Participants may not use any drugs, except those prescribed by a medical doctor or trip paramedic. While you may have heard the marijuana is to become legal in Canada in July. This may not be in effect at your arrival. Marijuana, **if legal**, will be treated the same as alcohol. There will be government imposed age restrictions and it will not be allowed during you're the camp.
3. Participants are not allowed to consume alcoholic beverages. There will be no purchase of alcohol or consumption in public establishments.
4. For safety reasons, instructions and requests given by the trip leaders are to be followed without question or delay.

Participants not following the rules may be verbally disciplined, removed from the trip environment and returned home as required. Any additional cost of return will be paid by the participant.

### **SAFETY**

We will be in the remote wilderness but we will have a satellite phone to use in case of an emergency. We will have well trained personnel on the trip who can deal with medical or wilderness emergencies.

### **PARTICIPANTS WHO SMOKE**

The committee has found that problems have arisen in the past with smokers. You are going on a wilderness camp experience and you will not be able to purchase cigarettes while on the trip. Plan to bring enough cigarettes for the trip. Do not attempt to quit smoking on the trip, you will find this very difficult. At all times, you must refrain from discarding cigarette butts in the woods. Save butts and matches for the garbage, or the camp fire pit, in order to keep the woods clean and avoid forest fires. Smoking may be prohibited if there is a "Restricted Fire Zone" in place. (You can ask us about what this is later.) Participants under 19 years of age are not able to legally purchase cigarettes in Ontario.

### **LANGUAGE AND CULTURE**

The language used on the trip is English. Participants from other countries often speak a variety of languages. You will have the opportunity to learn about other languages and cultures.

### **CELL PHONES AND INTERNET**

Most cell phones will work in Sioux Lookout. Internet will be available in most host homes and at the local coffee shops. On the Wilderness portion of your trip, Sunday through Sunday, you will have no access to cell or internet signals. They do not exist in the area you are going to.

### **SPENDING MONEY**

The amount of spending money that you will require for the trip will depend very much on the activities that you wish to participate in during your experience. You should have money for things like: phone calls, souvenirs, social evenings, and personal items. You should arrive with \$100 Canadian or American dollars in cash.

Currencies other than American dollars are hard to exchange in Sioux Lookout. Bank machines and Credit Cards are extensively used. Traveler's cheques are cashable at the banks with passport identification.

### **CAMERAS AND VIDEO EQUIPMENT**

We encourage you to bring any camera and video equipment that you wish. There are many opportunities for taking pictures on the trip.
